### Des Plaines Art Guild

Members + community  
(Members get a discounted fee for each workshop)  
Register through Des Plaines Art Guild  
(see bottom of this sheet)

All workshops are at Prairie Lakes Community  
Center in meeting room #2.

Times: 10 AM – 12PM

Saturday, February 26: Instructor Rhonda Popko

#### Photo Transfer using Wintergreen oil

**Member price \$15/Non-member price \$20**

This low tech way to transfer photos won't damage the original photo. Using a laser print, the image is transferred to any surface you choose – and it is waterproof.

A great technique for different types of media.

Saturday, February 12: Instructor Rhonda Popko

#### Silk Painting

**Member Price \$20/Non-member Price \$25**

**Material cost \$5- per class for both**

Working directly on silk with resists and dyes, you will complete a small work of art in this workshop.

Saturday, March 19: Instructor Kathy Passi

#### Scratchboard

**Member Price \$15 – Non-member price \$20**

**Material cost \$5- per class for both**

Using a special surface and tools that remove the surface, you reveal the white part of scratchboard to make an image. A wonderful way to create textures.

Color can be added for more effects. Other techniques are discussed in this informative workshop.

Saturday, April 23: Instructor Stan Kotecki

#### iPhone photography

**Member Price \$15- /Non-member price \$20**

Learn to use your cell phone's camera to it's full extent.

Saturday, May 14: Instructor Bonnie Olsen

#### Needle Felting

**Member price \$20/Non-member price \$25**

**Material Cost \$5- per class for both**

Dry needle felting uses barbed needles to stab and tangle the wool roving fibers, wool yarn and silk together. Other materials can be sandwiched between roving. Adding simple embroidery gives your piece a unique effect. It's like watercolor painting with fibers.

Saturday, June 4: Instructor Rhonda Popko

#### Stamp Making Workshop

**Member price \$20/Non-member price**

**\$25**

In this workshop you will learn how to make your own stamps using foam paper. These stamps can be used to make cards, print on fabric, print on tissue paper (for collages) and other fun applications.

Space is limited – register ASAP.
